## 1.FREA Information

Barnwood Trust is a member of the [Funders for Race Equality Alliance](#). As part of this membership, and as part of our commitment to tackling racial inequality in the UK funding sector, the Trust participates in an audit process to better understand who is benefitting from our funding, and who is missing out. This data helps us to understand where Barnwood Trust and other UK funders need to improve, and who we need to build relationships with to remove barriers to accessing the Trust's funding among Black and Minoritised communities.
