

Research information and consent to take part in research

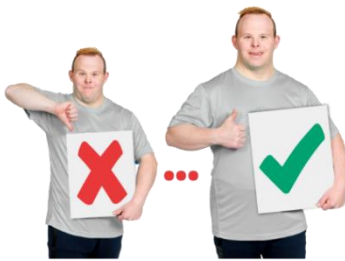

Survey of Disabled People in Gloucestershire 2024

We would like you to take part in this research.

It is important to read this leaflet so you can understand why we are doing it and what you will have to do.

Why are we doing this research?

We are doing it because we want to find ways to make things better for disabled people in Gloucestershire.

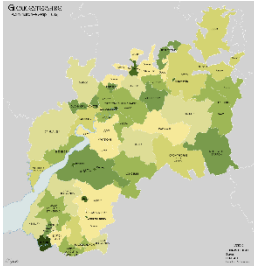

We want to find out what people's needs are in Gloucestershire right now.

Who can take part?

Anyone who is over 18

Lives in Gloucestershire

Is disabled.

Do I have to take part?

You do not have to take part; it is up to you.

You can stop taking part even if you agree to start with.

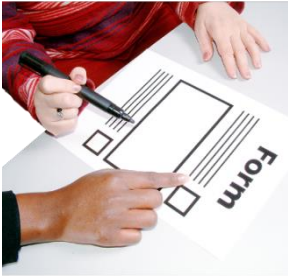

What will happen if I take part?

You will have to sign a consent form to say you agree to take part.

You will need to fill out a survey online or on paper.

We can help fill this out.

Why should I take part?

You will help us see what changes need to happen that may help make disabled people's lives better.

Are there any risks?

Someone might be able to recognise you from your story when we write about it.

What will happen with my information?

We will keep your details on our computer and database in a password protected file.

We will change your name and anything else that could let people know who you are.

What will happen with the research?

We will write a report and make a video to share online and in meetings.

You can have a copy if you would like one.

I understand that I do not have to take part, and I can stop taking part at any time.

I understand that my details will not be shared with anyone outside of the research team.

I understand that my answers may be written in a report or on a video and shared with other people. But my name won't be used.

I allow Inclusion Gloucestershire to safely store my survey on a laptop to use in more research in the future.
